**Student Services Board Report**  
**August 2023**

**1. CCSU Updates**

- a. Vacancies:
  - i. School Psychologist(s)
  - ii. Middle School Special Educator at Danville
  - iii. Speech Language Pathologist at Twinfield and Cabot
  - iv. Paraeducators
- b. We are struggling to fill positions, and with no qualified applicants, we are looking to contracted remote providers. As of this writing, we will be contracting out for a full time SLP and a part time psychologist. We are hoping to fill the other SLP and psychologist positions in-person, but that may not be able to happen.

**2. AOE Updates**

- a. The AOE released the results of the LEA's 2022-2023 cyclic monitoring. Following is a summary of our compliance:
  - i. Child Find Activities: CCSU's compliance for completing initial evaluations within the 60 day timeline was 96%. The compliance target was 100%. As a result, we will have to provide additional documentation regarding compliance in the fall.
  - ii. Annual IEP Review Dates: CCSU's compliance was 95% and the goal was 95%
  - iii. Triennial Evaluation Dates: CCSU's compliance was 86% and the target was 95%. We will have to upload additional documentation in the fall to ensure compliance in this area.
  - iv. Post-Secondary Transition Plans: CCSU's compliance was 100%
  - v. Summaries of Performance: CCSU's compliance was 100%
  - vi. Special Education and Related Policies: CCSU's compliance was 100%
- b. In response to not being fully in compliance, and in response to reducing one administrative position, we are defining roles and responsibilities in the student services department. Allie Monahan will be overseeing compliance related activities and working with special educators to ensure we are full in compliance going forward.

Respectfully submitted,  
Anne Landry  
Director of Student Services
